This is a fabulous 2 storey 2-bedroom 1 bathroom unit combination of Short Stay Accommodation and or Residential Living approvals.

Owners of this town centre villa can live here full time if they choose, continue to rent to the short stay holiday market and use when it is not booked out. Or simply use it as a lock and leave getaway when you can get time out to head down south. Currently this unit is managed privately by the owners within a larger complex and doing very well with bookings.

Situated in Margaret Rivers Cafe strip, restaurants, bars, and a wide variety of retails stores all within a very short walk. So, leave the car at the resort and walk to everything.

The layout of the apartment is great with upstairs consisting of a great open plan living area with lounge, dining and kitchen area with discrete laundry and W/C. The living area upstairs has an adjoining deck overlooking a centrally located parkland cleared courtyard.

Downstairs there are two great sized bedrooms and the bathroom with separate shower and bath. There is also a 2nd W/C.

The unit also has ample storage facilities in a separate storeroom, ideal for bikes, surfboards, linen and supplies.

To inspect contact Craig Bamford Exclusive Property Consultant to Unit 117/96 Bussell Highway.

About the Margaret River Region

Explore our region

Margaret River is one of Western Australia's best tourist draw cards as it is world renowned for its winemaking, spectacular surf breaks and coastal scenery. Towering forests and picturesque vineyards provide scenic delight above ground whilst magnificent limestone caves form unique beauty underground. Located just 300 kilometres south of Perth, Margaret River is a holiday destination that is accessible to all and each year, some 1,500,000 overnight visitors embrace the diversity of this surfing, scenic wine growing region. The Augusta Margaret River region is enriched with wide range of cultures, characters and activities and supports a local population of approximately 15,000, making it one of the fastest growing shires in Australia.
